

The State of Connecticut has recently signed two Public Acts, which together, are the Time's Up Act. This act outlines new requirements for sexual harassment training in the workplace which is required to begin October 1, 2019.

The link below will lead you to the Commission on Human Rights and Opportunities section of www.ct.gov, explaining more on the new requirements. At the bottom of the web page will also be a link to the poster that is to be displayed in your place of business.
